

# MIDLAND WAVES

**Join the Community In Proudly Displaying the American Flag on Five Significant Holidays!**

**Veteran's Day | Flag Day | Labor Day | Memorial Day | Independence Day**

On five significant United States holidays, American flags will line your street. For a 40-dollar donation, a made in the U.S.A. American flag will be placed in front of your home or business (we take care of all the logistics). The 3x5-foot flag will fly on a 10-foot pole from morning placement until nightfall.

The Kiwassee Kiwanis Club, alongside hundreds of thousands of Kiwanians globally, consists of dedicated volunteers committed to serving children, families, and communities. Through our hands-on involvement and fundraising efforts like this, we make impactful projects possible.
